FROM THE LEADING NAME IN FLUID HANDLING...

Piusi, the leading name in the fuel equipment sector have used their manufacturing and design experience to create a complete range of oil and lubrication equipment. As the UK agent for Piusi, Centre Tank Services' oil and grease offering maintains the same level of quality that their diesel and AdBlue® range is world renowned for.

OIL/GREASE PUMPS

Our air operated pumps benefit from low noise operation, highly efficient double acting pistons, polymer internals less subject to oxidation and no spring to maintain.

HOSES & REELS

Sturdy and professional automatic open and closed reels designed for high pressure oil and grease dispensing system, as well as hose assemblies.

TANK ALARMS

Industry leading multi & single zone tank alarms for alerting of a high level, low level or a bund leak. Popular for waste oil tanks and drums to alert they are almost full.
