

WHY CHOOSE CTS FOR FUEL & ADBLUE® EQUIPMENT?

- ✓ Trade suppliers of refuelling equipment with a competitive reseller pricing structure
- ✓ The exclusive UK importer of Italian made Piusi fluid handling equipment
- ✓ Pre-sale product selection advice and after-sales technical support
- ✓ Goods available for immediate dispatch from our 14,000 sq ft. warehouse
- ✓ We can offer marketing support including literature branded with your logo and details

MARKET LEADERS IN REFUELLING EQUIPMENT...

As well as being the UK exclusive agent for market leading manufacturer Piusi, Centre Tank Services are stockists of many other large brands including Cim-Tek, Husky, ZVA and Afriso. With a large stock holding, goods are available for shipping direct to your customer with your paperwork should parts be required urgently.

DIESEL PUMPS

Original, quality and Italian manufactured - expect nothing less from the only UK Piusi agent. Standard diesel transfer pumps to complete fuel dispensing kits available.

ADBLUE® PUMPS

From simple manual hand pumps for drums to sophisticated electric pump kits, our range accommodates for all AdBlue® dispensing applications.

HOSES & NOZZLES

A complete dispensing equipment range from cost effective manual nozzles and heavy duty auto nozzles, to gravity hose kits and delivery hose assemblies.

More of our range

- ✓ Drum hand pumps
- ✓ Flow meters
- ✓ Level gauges & alarms
- ✓ Fuel filtration units
- ✓ Spill kits & pads
