

WHY CHOOSE CTS FOR OIL HEATING EQUIPMENT?

- ✔ 30 years' experience in supplying the oil heating market with fuel tank equipment
- ✔ Competitive trade pricing for heating engineers, merchants and tank installers
- ✔ Pre-sale product selection advice and after-sales technical support
- ✔ Goods available for immediate dispatch from our 14,000 sq ft. warehouse
- ✔ We can offer marketing support including literature branded with your logo and details

A LONG STANDING & TRUSTED SOURCE OF SUPPLY...

Centre Tank Services have been supplying oil heating engineers, heating/plumbing merchants and tank installers with a full range of storage tank accessories since our establishment in 1987. With a large stock holding, goods are available for shipping direct to your customer with your paperwork should spares be required urgently.

TANK SECURITY

With the ever increasing incidents of heating oil theft, we offer a range of tank security products including locking fill point caps and alarms to alert of a sudden drop in fuel.

LEVEL GAUGES

A complete offering of heating oil tank contents gauges from simple and cost effective float and sight level gauges to the popular ultrasonic Apollo and Watchmans.

FIRE VALVES

A wide range of fire valves for domestic and industrial installations. Available are economy ranges as well as the tried and tested KBB Teddington brand.

More of our range

- ✔ Filters & de-aerators
- ✔ Fill point & vent caps
- ✔ Heating oil meters
- ✔ Flexible oil lines
- ✔ Valves & fittings
