

## WHY CHOOSE CTS FOR FUEL TANK EQUIPMENT?

- ✓ The exclusive UK importer of Italian made Piusi fluid handling equipment
- ✓ Suppliers to many large OEM tank manufacturers in the UK and globally
- ✓ We can offer bespoke kits designed to meet your specific tank requirements
- ✓ Pre-sale product selection advice and after-sales technical support
- ✓ Goods available for immediate dispatch from our 14,000 sq ft. warehouse

## PRODUCTS & BACK-UP THAT THE OEMS TRUST...

Centre Tank Services have been directly supplying OEM fuel tank and generator manufacturers with fuel dispensing and storage tank equipment for 30 years. As well as our industry leading, in-house designed tank alarms, we are stockists and importers of many large brands including Piusi, Cim-Tek, Husky, ZVA and Afriso.

### TANK ALARMS

Industry leading multi & single zone tank alarms for alerting of a high level, low level or a bund leak. Solutions available for diesel, oil, kerosene, AdBlue® & water tanks.

### FUEL PUMPS

Original, quality and Italian manufactured - expect nothing less from the only UK Piusi agent. Standard diesel transfer pumps to complete fuel dispensing kits available.

### LEVEL GAUGES

A complete offering of tank contents gauges from cost effective float and sight level gauges to highly accurate and calibrated hydrostatic and digital solutions.

### More of our range

- ✓ Flow meters
- ✓ Nozzles & hoses
- ✓ Fuel filters
- ✓ Fill point & vent caps
- ✓ Valves & pipe fittings

### Any questions?
